Application for an ETH Zurich Postdoctoral Fellowship

Project description, part 2: accompanying information

October 2023

Please compose this section using the following format (please use a minimum of point 10 font size, single-spaced or 1.5 line spacing; Arial or equivalent).

2.1 Available resources of the ETH host professor for the realization of the project
(equipment, staff, knowledge, experience)

2.2 Significance of the project for the ETH host professor

2.3 Proposed teaching duties of ETH Fellowship candidate
(including an estimate of the average load)

2.4. Other requests for funding, especially applications submitted to other fellowship programmes
(Have you applied to other funding bodies with a similar or the same research project? Please note that you should also inform us if you obtain or request additional funds from other funding bodies during the evaluation period of your application.)

2.5. List of publications by the ETH Fellow candidate and the ETH host professor relevant to the project
(preferably the most current papers)

2.6. Publications by other authors relevant to the project
(preferably the most current papers)
